AGENDA
Annual AHCM Day-Long Symposium
Mesa County Workforce Center, Grand Junction
May 7, 2019

ROCKY MOUNTAIN HEALTH PLANS®

Goals for the Day

- **Build relationships across clinical and nonclinical partners**
- **Reconnect with and develop the vision behind the Accountable Health Communities Model**
- **Develop/refresh a deeper understanding of how poverty affects people's access to health**
- **Engage in peer learning around critical aspects of implementation within AHCM**

Time	Session	Speaker
8:00- 8:30 AM	**Registration and Breakfast**	
8:30- 9:20	**Opening and Welcome** • Introductions and framing of the day • Brief update on state of AHCM • CRN Presentation *(Cindy Wilbur, QHN)* • Preview and set up of Cost of Poverty Experience	*Kathryn Jantz, RMHP* *Bill Fulton, Civic Canopy* *Cindy Wilbur, QHN*
9:20 -9:35	**Break**	
9:35- 12:05	**Cost of Poverty Experience** The Cost of Poverty Experience is an experiential training that explores the social determinants of health through the lived experience of families impacted by poverty in our community. Participants will be actively engaged in the simulation that helps uncover the connections between poverty and health outcomes.	*Heather Cunningham* *Think Tank, Inc*
12:05 – 1:00	**Regional Lunch**	
1:00-2:15	**Roundtables** (Three round tables - 20 minutes each) Objective: Explore specific topics and share best practices based on table topic and identify ways to implement successful strategies or take other relevant follow up actions.	

Table #	Topic	Facilitator	Description
1	**Calculating the ROI to healthcare organizations for paying for social needs**	**Doug McCarthy** *Commonwealth Fund*	Demonstration of a tool that can be used to identify the return on investment to healthcare organizations for investing in social determinants of health.
2	**Addressing Food Insecurity**	**Emily Hunter** *Hunger Free Colorado*	Practical tips, tools, and partnership opportunities for signing up people for SNAP, accessing food pantries, and working to change local policies and attitudes toward hunger.
3	**Utilities, Water and other basic housing needs**	**Lauren McLanahan & Katharine Keenan** *Energy Outreach Colorado*	A primer on programs available to support members with their utilities, water, and housing modification needs.
4	**Rocky Mountain Health Plans (RMHP) Care Management Program 101**	**Sandy Dowd & Eve Presler** *Rocky Mountain Health Plans*	An overview of the care management program at RMHP and how we are supporting members with care navigation through the AHCM program.

5	**RecRx**	**Alayna Grace-Flavin** *RecRx*	Learn about our new recreation center referral program and how you can engage!
6	**Latino Initiatives**	**Shawn Davis** *Latino Initiatives*	Learn about addressing social determinants of health in manner that is culturally and linguistically appropriate.
7	**Follow Up from the Cost of Poverty Experience**	**Heather Cunningham** *Think Tank*	Continue the discussion from the morning simulation with the facilitation team.
8	**Working through Workflow**	**Kathryn Jantz** *RMHP* **Sherri Corey** *QHN*	Meet with other practices, Kathryn and Sherri to brainstorm solutions to AHC screening workflow challenges
9	**Access to Quality Contraceptive Care**	**Alice Douglas** *CAI Global*	Structural inequities, barriers in knowledge, and gaps in access and quality of care complicate Coloradans access to education, resources and services that can help them decide if , when and under what circumstances they have a child. What can you do to build on previous successes and further address some of these gaps?
10	**DOLA – Housing in Colorado**	**Jennifer Stepleton** *Department of Local Affairs*	Housing 101: Gain more information about affordable housing resources and gaps and how you can get involved in your community.
11	**Interpersonal Violence and Health Care in Colorado**	**Liz Stuewe** *Violence Free Colorado*	"Interpersonal Violence and Health Care in Colorado" will cover the 2017 domestic violence mandatory reporting law changes, how to use an evidence-based interpersonal violence assessment tool called "CUES" that takes less than 2 minutes to implement, and how to make a "warm referral" to your local anti-violence program.

2:35 – 3:05 pm	**Whole Group Discussion: Where Do We Go From Here?** Individual and group reflection on the next steps for AHCM as a network.	*Bill Fulton* *Kathryn Jantz*
3:05 – 3:15 pm	**Closing and Evaluation**
